

Job Title: Pharmacy Technician

Organization: Something Deeper Ministries (SDM)

Duty Station: Hope and Healing Center (HHC) Iganga – Kiwanyi village

Reports to: Medical Director

About US: Something Deeper Ministries (SDM) is a faith based Non-Governmental Organization upholding Christian values at both community and individual levels. We consider that our greatest asset in our work is the fulfilment of God's will for the people that we serve and maintain godly relationships with all our publics, both internal and external. SDM has four arms of operation: healthcare, spiritual support, education and community empowerment.

Hope & Healing Center is a community-based hospital fulfilling SDM vision of raising the standard of healthcare for the rural population.

Job Summary: to provide dispensary, drug storage & management services and education on the use of medication to patients and their care-takers.

Duties and Responsibilities:

- Count, pack, label pills & dispense medications to patients
- Educate and counsel patients or their care takers on medication adherence, proper drug use, accurate measuring of syrups, drug adverse side effects and drug-drug or drug-dietary interactions while dispensing drugs in line with the good pharmacy practices
